EDUCATION

Media Arts & Science, Indiana University Purdue University Indianapolis

Indianapolis

Aug 2019 — May 2024

Attended Indiana University Purdue University Indianapolis & graduated from The Luddy School Of Informatics & Computing.

PROJECTS

Reddit Mini

Aug 2024 — Sep 2024

Created A React/Redux application using Reddit API to dynamically display post and comments from popular Reddit post in specified subreddits

Jammin

Jun 2024 — Jul 2024

Developed A React application using Spotify API to allow users to search and add songs to their Spotify account as a newly created playlist.

Meow Mayhem

Oct 2023 — Oct 2023

Meow Mayhem is a 2D multiplayer tag game where players enter a high octane game of chase where the last one standing when the timer hits zero wins!

Gunblade

Jan 2023 — Apr 2023

Gunblade was created as a culmination of all the knowledge gained throughout my time in the Media Arts & Science program. Serving as my capstone project, Gunblade is a 2D Action RPG where players must defeat a great evil.
